MATERIAL FOR

The Enovitis Facebook page has become an important communication tool, now valued on a par with the more traditional paper and online media. The more the page is active and updated, the more the “social” effect is multiplied, thereby increasing the visibility of the event to the targeted audience. For this reason, it is important that individual exhibitors communicate their presence, announcing the equipment and products they will be taking to the exhibition and the events that are planned to stimulate the curiosity of the users and encourage them to interact. We therefore invite you to submit at least one contribution (with text, images and any short videos) that we will publish on this page.

MATERIALS REQUIRED:

- **text max. 500 characters, including spaces**
- **images** (jpeg, tiff)
- **brief video** (mp4 format, max 15 MB)

to be sent by **13th April 2018** to:

- catalogo@enovitis.it with the reference “materiale pagina Facebook”.
- *Files that are particularly large (more than 5 MB) must be sent by WeTransfer or a similar system*
- Alternatively, “posts” ready to be published can be sent to the page <https://www.facebook.com/enovitis/>
Their publication will be released by the editorial team.
