OTHER REQUEST (Please note: request for proximity/distance must be written here. Oral requests will not be considered):

N.B. It should be noted that spaces/exhibition areas will be assigned taking into account not only any requests to be near other exhibitors but also the actual date of registration of the exhibitors themselves. Therefore, companies intending to make such requests are invited to submit their registration by the deadlines indicated. If the deadlines are not respected, requests may not be accepted.

NB: a tractor/equipment pairing is only possible between main exhibiting companies or co-exhibiting companies; it is therefore not possible for represented companies to co-exhibit together. **Exhibitors are responsible for providing their own tractor/s necessary to carry out the demonstrations. The General Secretariat is in no way responsible for guaranteeing the provision of tractors.**
